## Pattern Notes

Chummy is as fun to crochet as she is to watch on *Call the Midwife*! The doll is entirely crocheted but her sweater is made from felt. I use American Girl doll glasses, but you can also crochet glasses, use felt or even a twisted paperclip. Be creative with the selection of ribbon and buttons and have fun bringing this midwife to life!

## Face

- Insert the safety eyes between R10 and R11 of the head and position them 5 sts apart from each other
- Embroider a V shaped mouth between the eyes on R12 using a yarn needle and red yarn
- Stuff the head firmly

## Assembly

- Stuff the body, arms, and legs
- Sew the body to the head (there is one extra decrease round on the head than on the body so the last row of the body should be sewn around the second last row on the head)
- Sew the arms to the body
- Sew the legs to the body
- Sew the hair to the head
- Tie a blue ribbon in a bow around Chummy's waist
- Cut out a white felt collar using the template on p.5 and glue it around Chummy's neck using a glue gun
- Sew the skirt piece to the body using the front loops on R10 of the body
- Sew the white button to the front center of the hat using a yarn needle and red yarn

## Sweater

- Cut out two sweater pieces using the template on p.5 from a piece of folded red felt (the seam of the fold should line up with the shoulders of the sweater, just above the green lines)
- Glue the seams of the sweater using a glue gun (along the red lines), then turn the sweater right side out
- Cut down the center front along the blue line to open up the sweater
